Education

Royds High School
1998-2005

Leeds College of Art and Design
2005-2007

Qualifications

HND
Interactive Media
2007

AVCE
Information Communication Technology
2005

A Level
Art and Design
2005

Experience

Leeds Art Gallery
2007

In Spring of this year, my HND course gave me the opportunity to work in partnership with Leeds Art Gallery to produce a prototype learning experience. This was to be aimed at children aged between 5-11 yrs, with a view to be published on the MyLearning website. The prototype can be viewed by visiting my online portfolio

Software

I have skills in most of Adobe's Creative Suite such as Flash, Dreamweaver, Photoshop and Illustrator. As well as experience in After Effects, Maya and Final Cut. I also have knowledge of HTML, CSS and ActionScript programming languages
